THE TOWER 1954

UNIVERSITY SCHOOL CARBONDALE, ILLINOIS

The Tower Staff proudly dedicates the 1954 yearbook to Mr. Dilla Hall. Mr. Hall, a mathematics teacher at University School for many years, is well liked. He is known as an excellent teacher. His students know that he also can relieve tense nerves and routine with a timely joke. This art is appreciated by the members of his classes. We hope that Mr. Hall will be a member of University School's staff for many years to come.
